Annual Meeting Actions

Bylaws Change (to conform with Amended LWVUS Bylaws) Article II, Sec.1. Purposes: The purposes of the LWVLC are to promote political responsibility through informed and active participation [remove "of citizens"] in government and to act on selected governmental issues.

Public Policy Position

Solid Waste Disposal. One of the five positions was amended to add: Volume reduction of solid waste through recycling, reuse, alternative packaging, and sustainable consumption practices.

Dues Increase

Annual membership is \$60, family \$90.

President's Column

Approximately 40 members and guests gathered for the annual meeting the League of Women Voters of Loudoun County. Peter Overby, National Public Radio, was the keynote speaker who gave us antidotes from recent radio shows. We also elected officers. I congratulate them and look forward to working with all during the next year. A motion was brought to the floor, discussed, and approved to raise dues beginning July 1. The dues are now \$60 for members and \$90 for family memberships. This is the first increase in more than a decade. After we pay per member payments (PMP) to National, State, and National Capital Area Leagues, we have \$5.00 per member to accomplish our programs, which include the newsletter, candidate forums, voter registration, and more. If the dues increase creates a hardship, please contact Jean Sagan, membership director, and request a scholarship.

The election season is gearing up and it promises to be an exciting year with all local offices up for election. We will be having forums for the Board of Supervisors, the 27th Senate District, and the Sheriff races. Stay tuned to more information in future newsletters. We will need volunteers to help with the forums, so please contact Denise Donnelly if you can help. In addition, we will publish a Voters Guide on the Web site and in the *Connection Newspapers*.

David Kirsten presented a design for "get out the vote" signs. We hope to have them available before the November elections. Our greatest tool for effecting change and preserving a vision for Loudoun is at the ballot box. Please encourage all you know to get involved, study the issues and the candidates, and vote on November 6, 2007. The line up of candidates is

published in this newsletter and also on our Web page, www.loudoun.va.lwvnet.org.

Have a great and enjoyable summer with your families and friends.

1,663 Students Now Registered

Judy Brown, the Loudoun County Voter Registrar, reports that 1,666 high school seniors in 10 high schools were registered to vote since January 2007 by volunteers with the League. This has become a rite of passage for seniors who might not otherwise take the time to go to the Registrar's office to register to vote. Volunteers actually go into the classroom and give a short tutorial on the importance of voting and then guide the students through the process with actual registration. League volunteers give the seniors instruction on how to vote absentee since most of them will be in college, the military, or working away from home. We have received wonderful reports from parents, teachers, and students on how well this campaign of registering high school seniors is being received. The League will again set up a schedule in the winter of 2008. If you are interested in helping, please call Jean Brown at 540-338-7628.

In Passing

Sarah “Sally” Hunt, former LWV Loudoun County member, died of cancer in April at her residence in Brown County, IN. As Director of Loudoun County Public Libraries in the early 1980s, she was instrumental in the creation of two new libraries. After retiring to Brown County, IN, she was active in the state chapter of the LWV.

The Fairfax League reported the death of long-time League member **Lavinia Voss**. She had served on the Fairfax Area Board and the Virginia State Board.
