League of Women Voters, Loudoun County teams with Loudoun Abused Women's Shelter for Forum

Join us Wednesday, July 20, at 7:00 p.m. at the Leesburg Executive Airport, when the League of Women Voters and LAWS will be hosting a forum on Teen Dating Violence. There are some startling statistics with regard to Teen Dating Violence. 1 in 5 female students have reported being physically and/or sexually abused by a dating partner. 1 in 11 teens reports being a victim of physical dating abuse each year. This is not only shocking but very sad that our Teens and Tweens are experiencing disturbing levels of violence in their relationships but only half recognize the warning signs of a dangerous relationship. This forum is to help parents and teens recognize signs and also provide information on how and where to get help. This event is free.

LWVLC Registers High School Seniors

School is out - Graduations are over and the County has over 1800 new voters in the Country. The League of Women Voters - [Loudoun County](#) hosted their High School Voter registration drive, an annual event, this year and registered over 1800 high school seniors from the 10 high schools. Next year - we look forward to increasing that number as we add two high schools to the list, [Tuscarora](#) and Woodgrove.

This voter registration drive would not be possible without the help of volunteers throughout the county. We are sincerely thankful to everyone that participated. This drive was initially lead by League member Jean Brown and joining her in managing this project this year was Kathy Shupe. The League thanks you both for your dedication.

LWVLC and the LCPS Social Science Fair

The Loudoun County League participated as judges in the Special Awards section of the 15th Annual Loudoun County Social Science Fair held at [Heritage High School](#) in early June. The students from all over the county did a phenomenal job in their both booth presentation and e-presentations.

The LWVLC awarded prizes for three places. The first place winner was Chasity Maupin whose presentation was on, "How did the Shirtwaist Factory Fire Change Government Regulations." Second place went to Patricia Pouter and Alison Kurtz for their presentation topic, "Can Feral Children Be Molded in Society." Last and certainly not least was our third place recipient, Hannah Goodwyn whose topic was, " How did Women Come To Be Accepted in Sports Today."

Again, congratulations to all for a job well done.
